Explanation of Coverage Options & Features

Auto claim deductible waiver for bundled policies.

If you insure both your car and home with Electric Insurance and both are damaged by the same covered cause of loss, we'll waive the auto policy deductible – potentially saving you hundreds of dollars.⁵

Automatic new car replacement.

We'll pay to replace totaled or stolen new (or newer) vehicles that are not recovered with a new one of the same make, model, and equipment – without deducting for depreciation.⁵

Original Equipment Manufacturers (OEM) Parts for Repairs.

For claims requiring repairs, we'll authorize your repair shop to use brand new original manufacturer's parts.⁵

Total care for totaled vehicles program.

We'll provide advance payment for totaled or stolen/non-recovered vehicles and extend use of your rental vehicle if you have rental coverage so that you'd have extra time to shop for a replacement vehicle.⁵

Accident Forgiveness.

We'll waive the standard premium surcharge and up to \$500 of your Collision or Comprehensive deductible for your first accident. And if you enjoy a Safe Driver discount, you'll keep that too.⁵

\$125 in towing coverage with included emergency roadside assistance services.

Provides 24/7/365 emergency roadside assistance services and up to \$125 of coverage for accident-related towing and labor costs.⁶

Trip Interruption Expenses.

Get up to \$600 back for unexpected travel-related expenses when your vehicle breaks down or is disabled more than 100 miles from home for 24 hours or more. No deductible applies.⁵

\$50 Glass Repair/Replacement Deductible.

You'd pay just a \$50 deductible for windshield, window, or light replacement and/or repair.⁵

Stolen/Totaled car claim deductible waiver.

We'll waive the claim deductible requirement if your covered vehicle is totaled or stolen/non-recovered.⁵

No-Daily-Limit Rental Coverage.

Get up to \$5,000 in reimbursement with no daily dollar limit when you must rent a vehicle because your own is undrivable, unsafe to drive, or being repaired because it was damaged by a cause of loss covered by your policy.⁵

Custom valuation amount for unique and high-value vehicles.

Your auto policy will state a value that you and we mutually agree upon for replacement or repair if it is damaged or stolen and not recovered.⁷

Auto Loan/Lease Gap Coverage.

Fulfills the outstanding balances you owe to lien holders for totaled vehicles.
